MEMORANDUM

TO: State Agencies
FROM: Tom Sadowski
DATE: September 23, 2005
RE: Status of State Mileage Allowance FY 2006

Effective September 1, 2005, the IRS standard mileage rate for 2005 was increased from 40.5 to 48.5 cents per mile due to the record-high gas prices at that time. Several agencies have asked if the Office of Administration intends to adjust the state mileage allowance. We have reviewed the issue and have decided that we will maintain our current rate, subject to reevaluation as conditions may warrant. We will continue our current policy of adjusting the state mileage allowance effective July 1st based on the IRS standard mileage rate effective January 1st of each year.
